This offer must be accepted in whole within 5 days from date hereof. Receipt of delivery of any part of lumber or material herein set forth shall be deemed an acceptance of all, according to the term of this offer. It is understood and agreed that this contract will be completed on or before _____ day of _____. Any lumber or building material after that date shall be paid for at the prices herein set forth, or the then market prices, whichever is higher. In the event that any labor is at any time supplied or furnished to the acceptor it shall be paid for at prices current at that time. This quotation is per thousand feet or unit as listed herewith and material will be so billed. The total amount is figured for your guide and convenience only, and is subject to slight differences in the actual billing of the stock. All materials, grades, and dimensions, other than those listed, furnished for the above described location shall become part of this contract and be invoiced and paid for at the current market price at time of delivery.

This contract shall in no event exceed \$ _____.
